"Here's a big cheer of thank you to all my customers who enjoyed the 2016 calendar. The interest has been overwhelming; thus I have an eye to publish another calendar in the future. What's new in my art world and Walleye Cards publishing this year of 2017? I'm working hard on a book of illustrated wildlife stories. I'll be back to leading workshops in 2018. Until then, I send goodness and happiness out to all. Sincerely, -- Heather Murphy, January 2017"
